2009 "Enter-Trainer of the Year"

Chuck Stump of [The Performance Group](#) has been named "2009 Enter-Trainer of the Year." Chuck says, "Many speakers have the ability to entertain. Many trainers can present information in an effort to educate and inform...but few can do both. When you engage your audience and *get them involved*, the message "sticks" and people leave with tools and ideas that they can use to improve their situation."

Our diverse client base trusts us to deliver programs and consulting services that increase creativity, boost individual and team performance...and PROFITS!!! Call me today at 304-757-8125 so we can help you achieve your results. I'd love to sit down with you (and your team) and discuss how we can help.
